About Us

HimGurukul International School is a co-educational International Day School established in 2014, with a view to offer world class educational opportunities. It is built in a congenial green, serene, calm surroundings, free from all kinds of pollution. The campus spreads over 1.2 acres (4230 hectare) of land and is surrounded by natural beauty. It encompasses a Vastu based academic block, grass covered playing fields and athletic track. Our learning campus is designed by recognized architects to provide an environment and resources vital for the 21st century education. The infrastructure aims at balancing academic and non- academic development needs of a child. In addition every corner of school is fitted with surveillance cameras to monitor the building. The student body comprising about 850 students reflect the cultural diversity of India.

The iconic- set up comprises smart learning communities with outdoor learning zones instead of traditional four walled classrooms so that each child moves freely and feels secure. The school has well ventilated spacious classrooms, fitted with white boards. All classes have been provided with projector for smart and interactive learning of students.

Location:

HGIS is situated in village Bhalat, (Harsaur) (Barsar-Shahtalai Road). School is 63Km from Una and 31 Km from Hamirpur. Nearest railway station is in Una. The place is well connected with all major cities of District.

Affiliation:

Him Gurukul International School is affiliated to the Central Board of Secondary School (CBSE), Delhi. This board makes students ready for future challenges and instill values through an integrated curricular approach.

Our Mission

Our mission is to transform lives by instilling 21st century skills and inspiring lifelong learning in every student. We ensure that each student achieves intellectual and personal excellence and is well prepared for career pathways.

Our vision

We envision that Him Gurukul International School will be the first assorted, thriving, vigorous and inspiring educational system to work with families and community to successfully educate all of its students at high levels.

Curriculum

The school provides education from pre-primary to senior secondary classes. Keeping in sense the necessity of an all India nature of the institution, the medium of instruction is English but Hindi is a compulsory language of study. Sanskrit is taught from v to viii. In addition to this, Mathematics, science, social Sciences, art, Music, Dance, Information Technology, Physical education are the parts of the academic programme.

For senior secondary classes school offers Science, commerce and arts as well as with all possible subject combinations. The School programme not only enables pupils to acquire qualification necessary for earning their livelihood but also prepares them for the future so that they could make maximum use of each and every opportunity.

Vacation and breaks:

Summer Break: From 25th June to 25th July.

Winter Break: 10 days winter brake is observed, normally in first week of January.

Session: The academic year is from April 1st to March 31st.

FOREWORD:

Dear Parents and students,

Education has always been important to any democratic country but, perhaps never more so in man's history than today. In a world based on science and technology, it is education that determines the level of prosperity, welfare and security, of people and serves as a powerful instrument of social, economic and cultural transformation necessary for the realization of the national goals.

We are proud to open the door of endless possibilities for our new generation. Our mission is to provide a learning environment to the students so that they are enlightened with the world of knowledge and are ready to prove themselves in this tearing competition. We help them to develop their behavioral & managerial skills which will help them at their workplace and confront the emerging challenges of the future.

We believe in the complete development of our students and encourage them by providing the best of exposure in terms of knowledge, Technology and infrastructure. We have a very dedicated staff to guide students in the right direction in all fields of education and co-curricular activities.

I am proud to say that once the student steps in HGIS, he steps out with the self-confidence and knowledge to face all challenges of modern world. We try our best to set up an educational system which instills in the minds of students the capacities of inquiry, creativity, Technology, moral values and leadership along with imbibing virtues such as discipline, dedication and commitment so that they may excel in all walks of life and are ready for employment and grab worldwide opportunities when they part from us.

I look forward to welcome you to HGIS and wish you a great success for your colorful career.

With Best Wishes

Sh. SanjeevShekhar
Chairman
HIM School ShikshaSabha
SIG:

It is an honour and a privilege to be the Principal of HIM Gurukul International School, the school that stands for excellence and continuously sets the highest standards, the school that is an alma mater which all alumni look back to with fond memories, the school that has given this country many distinguished personalities and leaders in diverse fields.

The importance of education in the life of an individual cannot be overstated. It shapes individuals in their formative years and imbues them with values that would govern all their choices in life. It is said 'if you are planning for a year, sow rice; if you are planning for a decade, plant trees; if you are planning for a lifetime, educate people'. Indeed, one can even say that the quality of education will determine the destiny of the nation.

For me, Education does not mean providing answers. It means equipping the pupil with the means to find the answers for himself and within himself. Education empowers students to discover themselves – who they are as people. Within each student is a doctor, an Engineer, a teacher, a social activist, a sports person, an environmentalist, a poet, an author or an economist. The teacher supports them in channelizing resources vis-à-vis their dreams thus sustainably generating civilized and productive human capital for serving our motherland in line with the school motto "Discipline, Devotion, Dedication, Determination"

I have witnessed in our students an unparalleled knowledge base, a vibrant dynamism, an acute consciousness about the world around them, a focused ambition and a sustained commitment. I am also fortunate to have an experienced and committed team, which has brought the school to its present stature. I, along with my team of silent workers and dedicated faculty, intend to build on this strong foundation and raise the standards in all spheres, to the zenith. My aim is not only to efficiently administer the school plant but also to be a friend, philosopher and guide to students one whom they can count on and trust at all times. I assure you that my doors are open to the students and their parents for any suggestion or guidance.

Rajinder Singh Baryana
Principal
HIM GURUKUL International School
SIG:

Today the role of a school is not only pursue the academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers and productive members of an everchanging global society. We provide an atmosphere to our students for multifaceted development, where children are encouraged to channelize their potential in the pursuit of excellence. This can only be possible in a holistic, student-centric environment. The talents, skills and abilities of each student need to be identified, nurtured and encouraged so that he/she is able to reach greater heights. Students need to be provided with the platform to think, express and exhibit their skills. It is necessary to empower them to negotiate several issues that confront them, with the teacher being facilitator.

The school is striving hard to make best possible efforts to inculcate strong values combining with academics and extra-curricular activities in the children. To convert every individual into a self-reliant and independent citizen, the school provides an amalgam of scholastic and co-scholastic activities.

No wonder, a student harnessed in such an atmosphere has every hope and possibility of becoming a responsible, balanced and a mature adult and is able to live in to contribute and to shoulder responsibilities of the society, of which he becomes an integral part. Children need a supportive environment at home and at school. They need to set goals. Focusing on specific goals helps them move forward purposefully in life. They would thus have the pleasure of watching their dreams into reality. In our curriculum the student is the primary focus and each child is involved in the learning process. We are constantly improving our teaching methodology so that it turns learning into combination of classroom study and scientific discovery.

I am confident enough that the students of Him Gurukul International School will make themselves stronger day by day, adding a new leaf to the grandeur of the school.

Ms. Reena Rana
Headmistress
Him Gurukul International School
SIG:

Library

1) Academic:

a) Teaching Methodology;

To provide stimuli to the intellect of the child to learn and develop a love for learning. Most modern methods of teaching are practiced. Use of power point presentation, audio- visual teaching aids, Projectors are emphasized to a large extent in order to make teaching learning process interesting and effective.

b) Library:

An open access to a well stocked spacious library caters to the needs of students and provides them opportunity to supplement their curriculum requirements in various subjects. Library consists of about 2000 books including reference books, encyclopedia, novels and periodicals which nourish the child's craving for learning. Students are encouraged to spend most of their spare time in the library to enrich their knowledge.

c) Labs:

Well equipped, ultra modern physics, Chemistry and Biology labs are there for young scientists to confirm their theoretical ideas by performing experiments

Mathematics lab

Computer Lab

d) Computer lab:

Most modern computer lab, fitted with latest version of computers. Computer education starts from class 1st. Every child is given practical knowledge allowing him/her to operate the computer himself/herself. There is schoolwide Wi-Fi internet access.

e) Remedial classes:

The school has continuous comprehensive evaluation system which helps in identifying the under achievers very early as far as the academic is concerned. These students are guided by the concerned subject teacher, before and after school hours, for which no extra fee is charged.

f) Scholarship: Scholarship is given every year to the children who are meritorious and needy.

Criteria For eligibility:

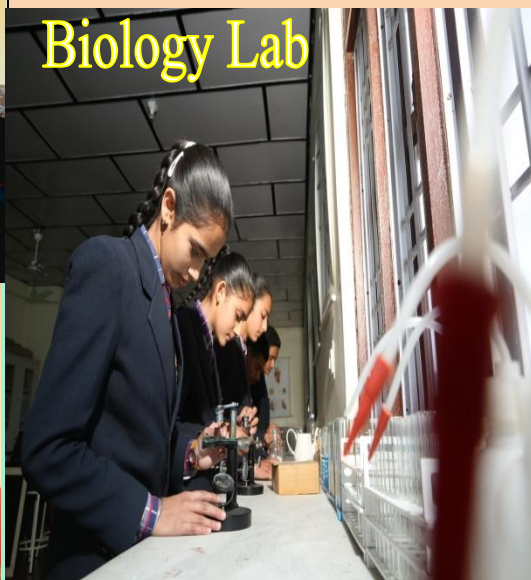

- 1) Child should have at least 80% marks in previous class.
- 2) Annual income of the parents should not be more than 1 lac.

g) Parents Teacher Meeting: Him Gurukul strongly believes in a healthy communication and co-operation between the parents and teachers. In order to meet this aim, the school schedules Parent Teacher Meeting (PTM) whenever required.

h) Music Department:

School has its separate music department equipped with around more than 30

Biology Lab

Smart Class

Chemistry Lab

2) Facilities we provide:

a) Stationary shop: School has a stationary shop inside the campus to provide students with the stuff they require.

b) Medical Room: We have a well equipped medical room with a doctor to provide necessary first aid to the students in the time of any emergency

c) Water, Sanitation & Hygiene: School provides safe, potable drinking water, hand washing facilities and clean, safe toilets.

3) Events:

a) Fairs and Exhibitions: School organizes science exhibition every year so that students may get a chance to apply or do the practical aspect of the things that they have learned from the classroom.

b) Trips And Tours: Educational trips are a major educational element and Students of all ages enjoy and benefit from outings, visits . Taking this into consideration we organize at least one trip annually for classes 3rd onwards so that they may experience new environments and enjoy a day away from the classroom.

c) Celebrations: As a part of our efforts to inculcate in students the appreciation of and respect for India's rich heritage and diversity and also to reinforce in them national pride and respect for all, the school celebrates a number of functions including Diwali, Holi, Dussehra, RakshaBandhan, Teacher's Day, Children's day, Independence Day, Mother's Day, Grandparent's Day .

d) Sports: "Sports do not build character, they reveal it" This is truly said by someone. Him Gurukul understands that and provides its students with various indoor and outdoor games. Training is provided in various games and sports to prepare students for inter-school, State and National level competitions. The school offers sports following facilities: badminton, Football, volleyball, judo and karate, chess, carom etc.

4) Assembly: The morning assembly starts with "Gayatri Mantra" followed by prayer and then National song. The students of House On duty present "Thought Of the Day", news. Training of public speaking and GK quiz are the regular features of the assembly. The assembly is concluded by National Anthem everyday. Two teachers in a week from The house on duty share their views in assembly (Teacher's talk) .

5) Student Council: For increasing scope for the pupils to develop their social skills, a house system has been developed for student from class 4th to 11th. Students are divided into four houses named: 1) Mars 2) Mercury 3) Venus 4) Jupiter. A house master and a group of mentors look after each house. Interhouse competitions are organized on Saturday after lunch break.

Interhouse competitions include quiz competitions, Debate, declamation, rangoli making competitions, Salad making competitions, mehendi competitions, rakhi making competitions etc. Overall champion house of above competitions is appreciated and rewarded with a beautiful trophy.

6)Discipline: Him Gurukul International School believes in discipline with firmness. Disobedience and disregard of rules are not tolerated. Any breach of common sense or of good manners or any action or a word, likely to lower the good name of school, is regarded as a breach of school discipline. The school reserves the right to expel students whose diligence or progress in studies is consistently unsatisfactory or whose conduct is harmful to others. Immorality, grave insubordination, theft, fraud, damage or loss of school's property, giving false information, threatening, abusing or assaulting any school employee or student are always sufficient reasons for immediate expulsion.

7) Examination System: We believe, testing students on the basis of crammed answers of previous exercises or the retention power is of no use, until and unless scholars are aware of practical use of the concept learnt. Examination system at Him Gurukul strongly encourages THINKING not CRAMMING, where practical understanding of the concepts and thinking skills are tested. Practical knowledge cannot be gained just with pen and paper test. Besides written test, monthly assessment activities are an integral part of the examination system where student's knowledge about practical implementation of the concepts is tested. Examination system at HGIS is as follows:

Type of Examination	Schedule
Periodic Test -1	Last week of May
Term-1	10 th September to 30 th September
Periodic Test-2	Last week of December
Term-2	First week of March

- **Assessment:** Students are assessed as per the direction of CBSE.

8) School rules:

a) Absent and leave:

- 1) No leave of absence is granted except on prior written application from parents or guardians for a valid reason only.
- 2) Only one leave is allowed in a month.
- 3) Without leave student has to pay fine.
- 4) Parents are requested to send a leave application if the child has to be absent for more than one day.
- 5) It is mandatory for parents to come to school whenever they get a call from school.
- 6) Student will be rusticated for one week for any misbehavior with any one in school campus or school bus.
- 7) The name will be stuck off if he or she found guilty of misbehavior for the second time.
- 8) A student returning to school after an infection or contagious disease should get a fitness certificate from the doctor.
- 9) A student suffering from such contagious disease must observe the prescribed period of quarantine before returning to class.
- 10) Minimum 80% attendance is compulsory to appear in the annual exam.

b) Promotion Rules:

- 1) Promotion to the next class is granted to the pupil on the basis of his/her overall performance during the academic session.
- 2) A child has to score 40% marks in the grand total of each subject to get promotion in the next class. No Re-test supplementary exam is conducted.

c) Withdrawal:

- 1) A clear calendar months' notice in written must be given before the withdrawal of the pupil.

9) School Timing :

- 1) Nursery to Third-9 AM to 2:15 PM
- 2) Grade third onwards-9 AM to 3 PM

Trips and Tours

10)School Uniform: Him Gurukul International School Prescribes uniform for all students. Students are expected to take pride in their personal appearance and to conform to all rules governing the school uniform. The details of the uniform is as follows:

Him Gurukul Admission criteria are as follows:

Age Criteria	3 years to 3 ½ years for LKG
	4 years to 4 ½ years for UKG
	5+ years complete as for std 1
Eligibility Document Checklist	All Nationalities
(To be submitted to admission office)	1) Color photo (passport size)
	2) Birth Certificate
	3) Aadhar Card

What they say about us:

“Very sincerely, if there’s a thing I don’t regret doing, it’s coming to the Him Gurukul International School. You won’t tire of staying there, because apart from high quality education, you will learn life skills.”

NIDHI SHARMA(11th)

“I honestly cannot name one “Best” thing about this school. I truly love to be here & there are too many positive attributes to this school. Each & every facility is first rate.”

Aditya (10th)

“School supported me to develop my academic talents to the full. I became confident in dealing with others. THANK YOU HGIS!”

Manik Singh Chandel (XII)

“We realize that we are lucky to attend such a prestigious school. School does not even offer quality education but encourages us to look at things in a different way.”

Saksham & Monika (11th)

“My experience in HGIS taught me that the more you like yourself, the less you become like anyone else, that makes you unique’. I have seen in me a complete turnaround & attribute it to the teachers & administration. Great School!”

Auma Sharma (9th)

“HGIS pushed me academically with teachers that care. I now feel myself capable enough to pursue a well- rounded education.”

Anmol Shastri (11th)

By Alumni: “Excellent school, great stuff, amazing management, Family atmosphere. Thank you HGIS for all your impact on my life.”

By Parents:

“If you are looking for an excellence in education for your child, HGIS is where your child should be. This will be our 8th year and we could not be happier. My child is excelling & thriving at HGIS. I am very much pleased with our choice”.
